

A diagram showing a horizontal container with a light blue background and a black border. Inside the container, there are three elements: a white box with a black border on the left containing the text 'cotire', a white box with a red border in the center containing the text 'CMakeFiles', and the text 'build' on the right. The 'cotire' box and 'CMakeFiles' box are of equal size, while 'build' is a text label without a box.

cotire

CMakeFiles

build
